Look for « La Croix Dupuy », click on the marker and select itinerary.

Advice : Don't follow route indicator to « CHASSIERS », you will be perhaps lost ...Joux is a hamlet 5 km far from Chassiers. Either follow this roadmap, either force your GPS to go through LARGENTIERE.

As you leave LARGENTIERE :

Turn at the left road D5 direction “VALGORGE” (and don't go straight on following « Chassiers direction !!)

3 km later, you arrive at the hamlet « LE LUTH », turn at the right, direction « ROCHER »

Close to hotel « Le chêne vert », sharp turn at the right

La Croix Dupuy – Road Book

At the top of the road, turn at the right road D235 direction « CHAZEAUX »

Later 3 km, you will see this indication « COL de BONNE RENCONTRE »

Just after, turn at the right direction «CHASSIERS »

After the little chapel at the right and the house at the left, go on the road at the right marked “Montcouquiol”. Go on always at the right until our house which is the first you will see.
